

# NEW PRODUCT — A680-TK01

## Typhoon Blow Gun Adapter Kit

### with Commonly Used Tips

*This Kit Includes the Following Acme Items:*

Typhoon Blow Gun Adapter: A680-ADP & 5 Blow Gun Tips: 3 Different Needle Tips: A631N05, A631N07 & A631N09 and 2 Rubber Tips: Safety Rubber Tip: A631RT & Standard Rubber Tip: A631SR.

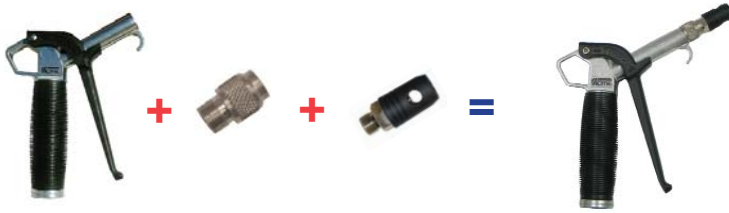

### Typhoon Blow Gun Adapter - A680-ADP

This adapter allows our popular Typhoon Blow Gun to employ any of the wide array of standard Acme Blow Gun Replacement tips, Needle Blow Gun Tips, and Safety Extensions originally designed for use with our A633A636, A637, and A671 Series Blow Guns.

**PLEASE NOTE:** While the use of Safety tips keeps the Typhoon OSHA compliant, Non-Safety tips used on the Typhoon via this adapter render the Typhoon Non-Safety while such tips are used.
